**MASTER FACTOR**

The ABF Management Committee has agreed to the ABF Masterpoint Unit's recommendation that the Master Factors at clause 4.4.9 be amended as shown in the table below. This came about because, under the existing scheme, there were instances where the restricted group were entitled to a greater MP rate than the Open! These changes take effect from January 1st 2010, while the online MP manual has already been updated, included

in this mailing are two sticky labels that you can use to update your hardcopy manuals.

The immediate impact of these changes will be on the Under Life events at the ABF national tournaments in Canberra in January.

**LATE FEES**

Clubs have only till the end of December to get their accounts up to date before late payment fees will be applied. I will endeavour to contact clubs this month that look likely to be late.
