HANDBOOK UPDATE

There has been a minor change to the handbook, with the addition of section **5.1.5 Bridge Festivals (grade B4)**. The information is covered in other sections of the handbook, but has now been brought altogether under the one section now.

MASTERPOINTING SOFTWARE MANUALS

The Centre was recently supplied with a manual to assist in masterpointing as a Club Masterpoint Secretary using ASE8. This was kindly written and supplied by Louis Koolen of the NSW Brisbane Water Bridge Club. I have added this manual to the existing one for ScoreBridge written by David Jitts of the NSW Camden Haven bridge club. You can find these manuals on the Download page under the *Masterpointing Manuals* section.

MID-AUGUST

Some clubs might have experienced a lack of response from the Centre in mid to late August. There was a very good reason for that!!

After downloading some Microsoft updates, I lost all internet connectivity and was getting many 'blue screens of death'. Things were so bad that I had to rebuild my computer. This all took about 7-10 days to get everything working again, so sorry for the slow response during that time.

NEW LISTING

Inside this Newsletter, you will find a list of the Top 100 Masterpoint earners of all time. Both past and present. Nothing new there! Also listed is the Top 100 Gold Masterpoint earners, and the Top 100 Red Masterpoint earners, and the Top 100 Green Masterpoint earners. See what you think?!!

IMPORTANT DEADLINE

The number of B4c red point session entitlements for 2011 is determined by the number of green points issued by your club during the 4 quarters ending September 2010.

It is therefore in your best interest to ensure that the Centre receives all outstanding masterpoints before the deadline.

Next monthly update deadline: Thursday 30th September. at Midnight
