SUBMITTING AWARDS

Please, when you submit your awards to the Centre, remember to include your awards totals. For B4c red points (for those participating states), make sure you supply your Authorization Number (s), sufficient to cover the red points submitted.

If the above is not done, or your awards are not received prior to the midnight deadline, then your awards will not be included in that months update.

Unfortunately, there were about 10 clubs in this situation this month, and this may impact their allocation of B4c sessions for 2011.

TIMETABLE FOR CONGRESSES AND STATE EVENTS ETC.

Just a reminder to all clubs, that once you run a congress (or similar event) you then have approximately two weeks to submit your awards to your State Masterpoint Secretary.

Then your State Masterpoint Secretary, has another two weeks to submit the event to the ABF Masterpoint Centre. This means all events should reach the Centre no later than one month after the event is held, and participants in the event should not have to wait ages to see the awards they have earned.

A late fee of 4% per month that the event is late, may apply to events that do not reach the Centre within a month.

B5i RED POINTS

Some clubs maybe interested in playing a simultaneous pairs match against another club, each club playing the same hands on the same day and scoring up via bridgewebs (www.bridgewebs.com/guide/interclub.html).

The Chair of the ABF Masterpoint Unit has approved the issue of B5i red masterpoints for any clubs that wish to run these type of events.

NEXT MONTHLY DEADLINE

The submission deadline for October is:

Sunday 31st October
at Midnight local time.
