ANNUAL CANCELLATIONS

As you well know, in each March 31st update, the Centre processes your annual cancellations. It is this update, where you are able to do some housekeeping and cancel any of your home club members that have failed to renew their membership with your club prior to the 31st March update.

In the previous Masterpoint Centre system, it was difficult to do much analysis on this trend. However, with the introduction of the current system in 2012, it is now far easier to do various data drilling into the stored information.

I have done that in relation to the annual inactivation's done in the March 31st update, and how many of those cancelled members are then reactivated over the following membership year (from April to March). The figures are shown inside the Newsletter, on a club by club basis, with totals shown for each state/territory.

Not all clubs are shown in the table, but only any clubs that cancelled any members in 2012 or 2013. I am glad to say that most states/territories have reduced the number of members that they cancelled last year, but nationally the figure was only down by 29.

In 2012 there were 3618 members cancelled. Of those cancelled, 824 (23%) have renewed their membership within 12 months of being cancelled.

In 2013 there were 3589 members cancelled. Of those cancelled, 436 (12%) have already renewed their membership within 2 months of being cancelled.

In 2012 there was a total of 1813 players reactivated. 824 within 12 months of cancellation, the others from prior membership years. In 2013, so far, a total of 627 reactivated. 436 within 2 months, and the rest from earlier membership years.

RECENT PAYMENT

PLEASE whenever you make a payment to the Centre you include your Club Number with each payment made.

On the 28/05/13 some unknown club made a payment of \$233.33. In the Comments field they simply entered:

"Masterpoints GBS internet"

I have spent several hours trying to locate who might have made this payment, but alas to no avail.

If you made this payment, then you must contact the Centre so that it can be credited to your clubs account.

The CLUBS and their CANCELLATIONS vs REACTIVATIONS as at 31st May 2013

If a club closes, then all its home club members are transferred to 9901 Temporary Holding Club. After all, these members have already paid their annual capitation fee, which entitles them to 12 months membership. If any members of this club have not transferred their home club membership to another club by 31st March, then they are cancelled in the March update with all the other cancellations.
