**NEWSLETTER**

October 2017, Issue 9.10 Editor: David WESTON

PO Box 2439 North P'matta 1750—T: 02-9683 4321—masterpoints@abf.com.au

**PAYMENT ISSUES**

Recently there have been a few payment issues caused by clubs. Some clubs are short paying an invoice, sometimes by only \$0.01!!! Some clubs are overpaying invoices or simply paying the same invoice(s) twice. Some overpaying anywhere from \$0.01 to \$1000+!!

The Centre commonly issues two types of financial documents. One is a *Statement* and other is an *Invoice*.

**Invoices:** There are two types of invoices the Centre issues. There is the quarterly invoice, that is issued at the end of each quarter. This invoice will contain all the charges for your club green and red point batches that you have uploaded during the quarter, as well as any chargeable player movements you have performed during the quarter.

The other common invoice is the one for masterpoints for your Holiday/Cruise, Congress, State or National tournaments, including any GNOT events held. These invoices are issued on an ad hoc basis, depending on when the masterpoints for the event are uploaded to the Centre.

When you receive either of these types of invoices, you have 90 days to make full payment.

**Statements:** Statements are issued at the same time as your quarterly invoices, that is, at the end of every quarter.

Statements are not a request for payment. A statement is simply a report showing your opening balance at the start of the quarter, plus all invoices issued during the quarter, as well as all payments received during the quarter, and your closing quarterly balance.

What several clubs seem to be doing is making payments based on these Statements. That's fine, providing you don't ALSO pay the invoice(s) that were separately issued.

**Best to just pay the invoices issued.**

The only time you might need to refer to the Statement for the total amount owing is when you have either short paid or over paid your previous invoices.

If that is the case, then the total amount owing will not be the total of your latest invoice. You will need to add any short payment, or deduct any credit amount (due to overpayment) prior to paying the latest invoice.

**2018 FEES AND CHARGES**

The Management Committee have not informed the Centre of any changes to fees and charges for 2018, so status quo.

Refer our website, under the *Site Map* option, then click on the **Current Fees and Charges** link under the *General Information and Reports* section for full details.
