NEWSLETTER

August 2018, Issue 10.8 Editor: David WESTON

PO Box 2439, North Parramatta 1750—Tel: 02-9683 4321—E: masterpoints@abf.com.au

IMPORTANT DEADLINE

The monthly update at the end of September is a **VERY IMPORTANT** deadline.

It is with the end of September update when we calculate your club B4c red masterpoint session allocation for 2019.

Please ensure you have your September awards submitted to the Centre before the monthly deadline. If you do not, you will only be disadvantaging your members, by possibly reducing the number of B4c sessions your club would otherwise be entitled to hold in 2019.

So I ***strongly*** urge you to submit your awards prior to the 4pm AEDT deadline on the 1st October!

Clubs are entitled to a basic 6 B4c sessions each calendar year. Additionally, clubs are entitled to one extra B4c session for the first full 35 green masterpoints issued by the club in the 12 months to the September deadline of the preceding year, then a further session for each additional full 65 green masterpoints issued.

Refer section 2.6 of the ABF Masterpoint Scheme handbook for full details.

It is definitely in your own best interest to ensure you have submitted all your green masterpoints to the Centre prior to the 4pm deadline.

Once the update is run, no adjustments can be done, and your allocation can only be based on the awards submitted prior to the deadline.

OVERSEAS PLAYERS

In an attempt to better classify overseas players that move to live permanently in Australia, so that they are unable to burgle our novice and restricted events, there has been a change to section 1.3.4 of the ABF Masterpoint Scheme handbook.

There will be instances where immigrants come to this country with no masterpoint history—either because their country of origin has no such scheme, or because all their records have been lost. In such circumstances a nominated person from the State Association may determine that the player's level of skill and experience are such that they should be awarded sufficient retrospective masterpoints to give them immediate National Master, Life Master or Grand Master status. When such a decision has been taken the player concerned should be advised, while details of the assessment must be forwarded to the Masterpoint Centre so that the player record can be properly amended.
