**NEWSLETTER**

September 2021, Issue 13.9 Editor: David WESTON

Website: www.abfmasterpoints.com.au

PO Box 2439 North P'matta 1750—T: 02-9683 4321—masterpoints@abf.com.au

**B4c ALLOCATION FOR 2022**

Your B4c allocation for 2022 was determined in the end of September update just completed.

You will now see on the website, under the **Club List** option, both your current B4c allocation for 2021, and your new allocation for 2022 against your club. The column of 2021 figures will remain showing until the start of 2022, at which time, as you would have used all your 2021 allocation by then, it will be removed.

Your B4c Session Entitlements report will be emailed (or posted) as part of the September mail-out. You can use this report to keep track of your various B4c sessions you have planned for next year. At no stage should you ever return that report. It is purely for your own internal club use.

As per usual for all pdf reports, they will be placed on the website where you can print another copy in the future if you lose the one sent to you with this update. You can do this via the **Show Club Documents** option on the website.

A report for ALL clubs will also be uploaded to the website after the end of year update, as no one will then need the old report that is there now. That report can be accessed via the **Download** page if needed.

If you failed to get your green points to us prior to the monthly deadline, then don't bother asking if something can now be done.

*It cannot!!*

The B4c allocation calculations have already been done in the September update, and cannot be altered after the update is run.

Similarly to last year, your B4c allocation was adjusted due to COVID again this year. What this means is that where those clubs 2022 calculation produced a lower B4c allocation than what they received for 2021, their allocations were increased to what they received in 2021 so they would not be

disadvantaged due to the forced cessation of F2F bridge. They will all receive the same allocation they received in 2021 for 2022. If your club received the same or a greater allocation for 2022, your club will be given that allocation.

**WEBSITE PROBLEMS**

Problems with our host's data centre have been the cause of recent web site problems commencing around midnight Monday 27th September. There was a short circuit failure of our production hard disk, which unfortunately impacted the backup hard disk as well, as it was on the same server. The hosts attempted to recover our backup data for 6 days but were unsuccessful and the data was lost.

The latest backup we had was from 2:00am on 1st September, and that data was restored and the website was in a read only state from Thursday night 7th October. Clubs then re-supplied us any missing August data (12 hours worth) and we re-ran the EOM August update on Tuesday 12th October. There were 4 fewer batches and 617.49 less masterpoints processed. Hopefully those clubs have now resubmitted their awards as part of the September update.

Clubs then re-supplied the Centre with any batches they had previously uploaded in September and all player changes done. Thank you so much. The Centre re-applied all the awards and did the player updates on behalf of the clubs from 12th to 17th October, recreating 128 of the 130 players that were previously added in September.

**IF YOU KNOW WHO WAS ISSUED ABF NUMBERS 1142399 OR 1142593 PLEASE CONTACT THE CENTRE ASAP.**

Full functionality was restored to the website at 9:00am Monday 18th October. Clubs were then able to finalise any awards or player changes relating to September before the EOM September quarterly update was run on Thursday 21st October.

The website is now up to date. Woo hoo!!
