MONEY MATTERS

During June clubs in danger of having an overdue account by the end of June were all emailed reminding them to settle their outstanding invoices.

This reduced the number of overdue accounts from 35 at the start of June to 16 clubs by COB on 30th June. There was 1 club from ACT, 7 clubs from NSW, 4 from VIC, 2 from QLD and 1 from both SA and WA. The amounts owed ranged anywhere from \$0.01 through to \$4027.33, with the overall total overdue being \$9858.68.

Thank you to all those clubs that settled their accounts before the June deadline.

Clubs with overdue accounts please pay asap.

On the flip side, we also had 13 clubs in credit as at COB on 30th June. There were 3 from NSW, 4 from VIC, 1 from both QLD and SA, 2 from WA and 1 from both TAS and NT. The credit amounts ranged from \$0.03 through to \$890.93, with the overall total credit being \$1623.95.

Of these 13 clubs, 11 were issued a Q2/22 invoice which reduced those clubs credit amounts substantially. Actually 8 of those clubs completely used their credit amounts, which means they now owe the Centre again, although a far smaller amount than without their credit amounts.

The other 3 clubs that were issued an invoice, plus the 2 that were already in credit, plus 1 club that received a credit note gives us a total 6 clubs in credit at the end of Q2/22. There was now only 2 clubs from NSW, 3 from VIC and 1 from WA that are still in credit. The updated credit amounts now ranged from \$0.03 to \$672.79, with the overall total credit amount

being \$958.73.

Some clubs don't seem to understand how a credit amount works. When the Centre issues you an invoice for either masterpoints or chargeable player movements, the invoiced total is for that scope of work. It will not include any credit amount your club may have at the time the invoice is issued or any other invoiced amounts still owing.

If your club does have a credit amount, then the correct amount to pay is:

$$\text{Invoiced Amt. LESS Credit Amt.} = \text{Amt. to Pay}$$

Your quarterly Statement will show all issued invoices and all payments received. You can easily see if your club has overdue amounts owing, or if your club is in credit, and by how much.

You can always check online your club's current financial situation as well. Immediately after you logon to the **Web Site Management Login Page** you will see the total amount owed or the amount you are in credit. There are links provided for you to be able to see what is owed, or your credit amount, and you can use the option **Show Club Documents** to view/download any documents that have previously been emailed to your club which you may have misplaced.
