September 2023, Issue 15.9 Editor: David WESTON

B4c ALLOCATION FOR 2024

Your B4c allocation for 2024 was determined in the end of September update just completed.

You will now see on the website, under the **Club List** option, both your current B4c allocation for 2023, and your new allocation for 2024 against your club. The column of 2023 figures will remain showing until the start of 2023, at which time, as you would have used all your 2023 allocation by then, it will be removed.

Your B4c Session Entitlements report will be emailed as part of the September mail-out. You can use this report to keep track of your various B4c sessions you have planned for next year. At no stage should you ever return that report. It is purely for your own internal club use.

As per usual for all pdf reports, they will be placed on the website where you can print another copy in the future if you lose the one sent to you with this update. You can do this via the **Show Club Documents** option on the website.

A report for ALL clubs will also be uploaded to the website after the end of year update, as no one will then need the old report that is there now. That report can be accessed via the **Download** page if needed.

If you failed to get your green points to us prior to the monthly deadline, then don't bother asking if something can now be done.

It cannot!!

The B4c allocation calculations have already been done in the September update, and cannot be altered after the update is run.

This year we have reverted to the normal calculation method as detailed in section 2.6 of the ABF Masterpoint Scheme handbook based on the total green masterpoints you have submitted between 1st October 2022 and 30th September 2023.

2024 FEES & CHARGES

The ABF Board has agreed on the following fees and charges for 2024 representing an ~6% increase in the masterpoint fees.

The new fees and charges, including GST, will be:

| October—December | \$10.00* | \$8.20* |
| January—March | Nil | Nil |

*Clubs registering NEW players during these periods will receive a \$1 commission per player, in the form of a reduced fee.

OTHER MONEY MATTERS

Just before we ran the September update we had 42 clubs owing the Centre between \$4.53 and \$10,114.21 totalling \$15,940.32 across all those clubs.

We had 18 clubs that had overdue accounts. Ten from NSW, 4 VIC, 1 each from QLD, SA and WA. They owed us between \$4.53 and \$9,906.93. We also had 24 clubs in credit, with credit amounts between -\$0.90 and -\$1,495.04,

As part of the September quarterly update, we issued 304 invoices to clubs totalling \$94,323.31. These invoices were for Q3/23 submitted masterpoints and chargeable player movements between July and September.

After the update there were only 9 clubs in credit. Four NSW, 3 VIC, 1 from both QLD & SA with credit amounts between -\$0.90 and -\$666.27.

Clubs in credit need to pay the amount shown on their quarterly STATEMENTS, not the invoiced amount. An invoice covers the chargeable items processed for your club. It does not include any credit amount or other outstanding invoices.
