Masterpoint Breakdown
 Inside the Newsletter this month is a list of all our clubs with any home club members as at 31st May 2024. Each club has their home club members grouped into various masterpoint ranges, then expressed as a percentage of their total home club members. The groups have been divided into the following masterpoint groups:

0-20	
20-50	
50-100	
100-300	
300-1000	
1000+	

Nationally, including the ABF Youth Club there were 30,588 (up 283 from last year) registered members. They fell into the following groups:

0-20	13,245	43%
20-50	4,409	14%
50-100	3,686	12%
100-300	4,861	16%
300-1000	3,065	10%
1000+	1,322	4%

Hence you can compare this national average, which has changed very little over the last six years, against the breakdown for your club.

In the 0-20 range, of the 13,245 members in that group (up 294 from last year), there are 1,862 (1,776 last year) members with 0.00 masterpoints.

For the same group there are now 5 clubs with their total membership (100%) falling into this group. Three up on last year. They are again club 2-095 Helene (with 1 member) and 2-275 Warialda (with 16 members, same as last year), and clubs 3-307 Australian (7 members), 3-342

Euroa (17 members) & 4-581 Boonah (6 members).

For the 20-50 range, numbers are down 29 from last year. For the 50-100 range, numbers are up 9. For the 100-300 range, numbers are up by 28. For the 300-1000 range, numbers are down by 25 and the 1000+ range is up by 6.

Administration Charge
 As mentioned last month, clubs are still not including their **CLUB NUMBER** with their payment to the Centre. As a result, the time taken to process your payment is significantly greater than what it would have been had you included it. Whilst you would think that we could easily process your payment when you supply either your club name, an invoice number or a person's name, that is not the case.

Unfortunately, this extra processing time is increasing our costs and we will be applying **an administration fee of \$10** in future if you do not include your club number with your payment.

To avoid this administration fee all you need to do is clearly provide your club number when you submit a payment to the Centre.

This Admin charge will commence from the start of Q3/24, so from **1st July 2024**. At the end of each subsequent quarter, if you are one of the clubs that do not provide your club number with a payment, you will be issued with an invoice at the end of the quarter for each occurrence of not providing your club number with a payment.

This Admin charge will also apply to clubs that make a payment to the Centre that is meant for another organization.
