NEWSLETTER

May 2025, Issue 17.5 Editor: David WESTON
Website: www.abfmasterpoints.com.au

PO Box 2439 North P'matta 1750—T: 02-9683 4321—E: masterpoints@abf.com.au

Masterpoint Breakdown

Inside the Newsletter this month is a list of all our clubs with any home club members as at 31st May 2025. Each club has their home club members grouped into various masterpoint ranges, then expressed as a percentage of their total home club members. The groups have been divided into the following masterpoint groups:

0-20
20-50
50-100
100-300
300-1000
1000+

Nationally, including the ABF Youth Club there were 30,670 (up 82 from last year) registered members. They fell into the following groups:

0-20	13,307	43%
20-50	4,409	14%
50-100	3,686	12%
100-300	4,861	16%
300-1000	3,065	10%
1000+	1,322	4%

Hence you can compare this na-

tional average, which did not change from last year, and has changed very little over the last seven years, against the breakdown for your club.

In the 0-20 range, of the 13,307 members in that group (up 62 from last year), there are 1,841 (1,862 last year) members with 0.00 masterpoints. So 21 less than last year.

For the same group there are now only 4 clubs with their total membership (100%) falling into this group. One down on last year. They are club 2-095 Helane (with 1 member) and 2-275 Warialda (with 16 members, same as last year), and club 3-307 Australian (7 members) & 4-581 Boonah (4 members).

For the 20-50 range, numbers are up 11 from last year. For the 50-100 range, numbers are down 67. For the 100-300 range, numbers are up by 22. For the 300-1000 range, numbers are up by 48 and the 1000+ range is up by 6.

Of the 329 listed clubs 151 do not have any members with 1000+MPs

Masterpoint Group Breakdown by Club as at 31st May 2025
