NEWSLETTER

September 2009, Issue 1.9 Editor: David WESTON

B4c SESSIONS BALANCE SHEETS

Next year's *B4c Balance Sheets* are enclosed herewith. The forms are meant for your own personal records only and you should note that they are not valid until January 1st, 2010.

They are distributed now for the sole purpose of allowing you to plan your calendar for next year. The "Balance" column shows the total number of your session entitlements.

I remind you of the way the entitlement is calculated: You receive six basic sessions for the first 35 green points issued by your club in the 12 months prior to the end of September update, and one extra session for each 65 additional green points submitted. Some remote clubs, that are at least 40km from their nearest other ABF affiliated bridge club, are also entitled to an additional 3 basic sessions, taking their entitlement to 9 instead of the normal 6.

If you disagree with your allocation, you should register your objections and the reasons therefore, as soon as possible.

NAT4WIN.EXE

A couple of bugs made it past the testing phase. These have now been fixed, so make sure you download the latest version of the Nat4Win program, which is release 7.00.04.

Either from the Download page of the ABF Masterpoint Centre website, or alternatively from:
www.bawa.asn.au/pd/nat4win.zip

LATE FEES

The holiday will soon be over!! Whilst I, and the previous Centre Manager, have been learning the ropes, we have not have the time to monitor the clubs that have been paying their accounts late, or not at all!! At the moment there are 24 clubs with accounts older than 90 days. ALL clubs will have the next three months to get their accounts up to date. From the December 31st update, I will be applying the following late fee:
A 10% late fee will apply for each 90 day period that the amount is overdue.

NEXT MONTHLY DEADLINE

The date for clubs to have their October awards submitted to the Centre is

14:00 (AEST) MONDAY, 2nd NOVEMBER
