## MASTERPOINT CENTRE

I was lucky enough to win a subsidy to play in the ANC Butler pairs in Tasmania in late July. So, the office will be unattended from Wednesday 21st to Friday 30th July. I will be flying (yes, not driving!) back on the Friday, arriving early afternoon. So I hope there will not be a delay in completing the end of month. I will have my laptop with me whilst away, and will be checking emails when not playing. So if you do need to reach the Centre, please contact me via email and I will reply asap.

## ABF MASTERPOINT SCHEME HANDBOOK

There has been a recent change to the ABF Masterpoint Scheme handbook. The change relates to section 2.7 Grade B5i interclub events. The minimum number of sessions for these types of events has been reduced from 2 to 1 session, allowing greater opportunities for clubs to hold these events. The latest version of the manual can be found on

the Download page.

## LATE PAYMENT FEES

A couple of days out from the end of quarter update, I checked to see if any clubs were going to incur a late fee for invoices exceeding the 90 day limit. To my great surprise, there were over 30 such clubs!! I emailed these clubs in an attempt to save them some money, and me some work!

Most clubs took this reminder the way it was meant, but some clubs seemed to take offence that I had contacted them, or that I had contacted them so close to the deadline.

There was plenty of time to make an electronic transfer (preferred method of payment), and they had already had over 90 days since date of issue.

But to avoid upsetting anyone else in the future, I will not be sending any further reminders, but strongly urge you all to keep on top of your invoices and make sure they are paid on time to avoid any unnecessary expenses to your clubs.

The deadline for getting your awards to the Centre in time for the July monthly update is

**Saturday 3 1st July by Midnight local time**
