NEWSLETTER

September 2025, Issue 17.9 Editor: David WESTON

Website: www.abfmasterpoints.com.au

PO Box 2439 North P'matta 1750—T: 02-9683 4321—masterpoints@abf.com.au

B4c ALLOCATION FOR 2026

Your B4c allocation for 2026 was determined in the end of September update just completed.

You will now see on the website, under the **Club List** option, both your current B4c allocation for 2025, and your new allocation for 2026 against your club. The column of 2025 figures will remain showing until the start of 2026, at which time, as you would have used all your 2025 allocation by then, it will be removed.

Your B4c Session Entitlements report will be emailed as part of the September mail-out. You can use this report to keep track of your various B4c sessions you have planned for next year. That report does not need to be returned, it is purely for your internal club use.

As per usual for all pdf reports, they will be placed on the website where you can print another copy in the future if you lose the one sent to you with this update. You can do this via the **Show Club Documents** option on the website.

A report for ALL clubs will also be uploaded to the website after the end of year update, as no one will then need the old report that is there now. That report can be accessed via the **Download** page if needed.

If you missed the deadline for submitting your green points last month it is now too late for you to have your B4c allocation changed.

The B4c allocation calculations have already been done in the September update, it is now too late for any updates to be made.

The normal calculation method as detailed in section 2.6 of the ABF Masterpoint Scheme handbook is based on the total green masterpoints you have submitted between 1st October 2024 and 30th September 2025.

MPCI PROJECT

In mid-September a Masterpoint Centre Integration Project workshop held over two days was attended by all parties directly involved in the migration of the current Masterpoint Centre into the MyABF world. You can find more details on the workshop in the ABF's October Newsletter.

Some items discussed were cleaning up the existing data recorded in the current system. The Centre has already contacted some clubs about cleaning up the existing data, and we greatly appreciate your help in this matter. We are continuing with this exercise as time permits so you may receive further emails about this, or possibly for the first time. Again, we look forward to any help you will be able to provide in this exercise.

Another area that raised some concerns were the number of clubs that despite using electronic scoring programs still manually submit their masterpoints by using the online CPAR and/or Sundry awards forms to upload their batches.

We are interested to understand why these forms are being used when your scoring program can create and upload the masterpoint file for you. This understanding will help us to determine if this functionality is needed in the new software.

Please let us know via email to masterpoints@abf.com.au.

McCUTCHEON AWARDS

Listed inside this Newsletter is the progressive results for the McCutcheon awards at the end of September.

You can also view the McCutcheon list online, which will list the top 20 placings for each Master Rank group.
