Club Details

If the details for your Club Masterpoint Secretary change, please ensure you update the details you have recorded in a timely manner via the **Edit Club Details** online option. Please ensure you at least do that BEFORE we run our month ends, as it is after those that we then send correspondence to your club.

Unfortunately, recently we have had a couple of letters returned to the Centre because clubs have not recorded the correct postal details for their Club Masterpoint Secretary (CMPS). On our website under the **Club Lists** option is listed all our clubs and their websites. Whilst you are checking that your postal address for the CMPS is correct, you should also make sure that the other details are: [1] Actually recorded [2] If recorded is still valid, and [3] Test your website link by clicking on the website link displayed against your club under the **Club Lists** option. You can use the **Edit Club Details** to check and/or update your website and other details currently recorded for your club.
